

The City of History Will Bring the Past and the Future Together in the Same Story:

TEKNOFEST 2026 in Şanlıurfa!

The world's largest **Aerospace and Technology Festival, TEKNOFEST**, will be held in **Şanlıurfa** in 2026—a city distinguished by its thousands of years of history and deep-rooted civilizational heritage. Taking place at **GAP Airport between September 30 and October 4**, TEKNOFEST 2026 will bring science and technology together with millions in Şanlıurfa, known as the zero point of history.

Organized under the leadership of the **Turkish Technology Team Foundation (T3 Foundation)** and the **Republic of Türkiye Ministry of Industry and Technology**, with the support of Türkiye's leading technology companies, public institutions, media organizations, and universities, TEKNOFEST will be held at **Şanlıurfa GAP Airport from September 30 to October 4, 2026**.

Previously hosted in Istanbul, Ankara, İzmir, Gaziantep, Azerbaijan, Samsun, Adana, and the Turkish Republic of Northern Cyprus (TRNC), TEKNOFEST—free of charge for visitors—has welcomed millions each year with growing interest, becoming the most powerful showcase of technology and innovation vision. In 2026, **TEKNOFEST Şanlıurfa** will carry young people's dreams from the zero point of history to the technologies of the future.

"The City of History Will Bring the Past and the Future Together in the Same Story"

In Şanlıurfa, which bears the traces of ancient civilizations, science and technology will once again unite the past and the future within a single story. TEKNOFEST Şanlıurfa will offer an epic five-day experience for visitors of all ages—from children and young people to families and technology enthusiasts.

The festival will feature breathtaking air shows, high-energy concerts and stage performances, inspiring exhibitions and educational workshops, simulation and experience zones, a planetarium, science shows, exhibitions of nationally renowned land and air vehicles, and fair areas—bringing together a wide range of technology- and excitement-filled experiences.

With its competition categories, prize opportunities, and extensive support mechanisms, TEKNOFEST continues to strengthen its position each year as the world's most comprehensive technology festival. With its ancient heritage stretching from **Göbeklitepe to Harran**, Şanlıurfa will once again open new horizons for young people in 2026 by bringing this grand vision together with one of Anatolia's most historic cities.
