

Visitor Registration Starts for TEKNOFEST Southeast!

TEKNOFEST, the world's largest Aerospace and Technology Festival, is preparing to welcome technology enthusiasts in 2026 in Şanlıurfa, prominent with its thousands of years of history and deep-rooted civilization heritage. Visitor registrations have started for TEKNOFEST Southeast, which will be held at GAP Airport between September 30 and October 4. You can register online immediately to take your place at the festival where attendance is free.

Organized under the main execution of the **Turkish Technology Team Foundation (T3 Foundation)** and the **Ministry of Industry and Technology of the Republic of Türkiye**, with the support of Türkiye's leading technology companies, public institutions, media organizations, and universities, **TEKNOFEST Southeast will take place at Şanlıurfa GAP Airport from September 30 to October 4.** Teams passing the preliminary stage in technology competitions organized under 61 main and 143 sub-categories will benefit from financial support exceeding 100 million TRY, while teams ranking in the competitions will be awarded prizes totaling over 75 million TRY.

Technology and excitement together at zero point in time!

Held 14 times since 2018 with free attendance, TEKNOFEST brings together millions of all ages in the same excitement and a shared dream for the future. In 2026, TEKNOFEST Southeast will carry young people's dreams from the zero point in time to the technologies of the future.

In Şanlıurfa, carrying the traces of ancient civilizations, science and technology will unite the past and the future in the same story. TEKNOFEST Southeast will offer a festival experience full of technology and excitement for visitors of all ages, from families to technology enthusiasts, young and old alike. Within the scope of the festival, many events such as breathtaking airshows, concerts and stage performances, exhibitions and educational workshops, simulation experience zones, science shows, static displays of our national pride land and air vehicles, and fair activities will meet visitors.
